President, AFSCME

Dear Friends:

We know you rejoiced when **Bill de Blasio** won his populist campaign for mayor of New York City. On October 14, you have the opportunity to honor him - at our 2014 America's Future Awards Gala - for what will be his first speech in Washington since his election.

**Come celebrate *Bill de Blasio's* victory - and the fact that an economic populist is mayor of New York City!**

This year workers rallied to demand decent wages and benefits on the streets of America's cities. **Saru Jayaraman** and the Restaurant Opportunities Centers United played a major role in building the movement of low-wage food service workers.

**Help honor that movement by honoring *Saru Jayaraman*, co-founder of ROC-United.**

**Lee Saunders**, president of the 1.3 million-member American Federation of State, County and Municipal Employees, is doing amazing work to mobilize workers to win key elections in November - and to build longer-term coalitions for economic justice.

**Join us October 14 at Arena Stage to honor *Lee Saunders*, a movement leader for economic justice.**

*It's good to honor our organizers and leaders - and celebrate our growing populist movement for economic change. And we will also have a great time.*
