Demos

We at Demos are excited to celebrate our 15<sup>th</sup> anniversary this year. I hope that you will join us at our Transforming America Awards & Gala on June 9 in New York City to help mark the occasion, and to recognize the important work of our stellar honorees.

We are humbled to be honoring the workers of **OUR Walmart** for their brave fight for respect and dignity for millions of Walmart employees across the country, and the important role they have played in the movement to improve the conditions for working people in this country. We are also excited to honor the founders of the **#BlackLivesMatter** movement; **Larry Wilmore** of *The Nightly Show with Larry Wilmore* on Comedy Central; and **Jennifer Pahlka** of Code for America for their work to create an equal say and an equal chance for all Americans.

We have been grateful for the past support of BALCONY and I hope we can count on your support again this year.

A formal letter with details for the event and sponsorship are attached. Please feel free to reach out to me or to Laura Adams at [ladams@demos.org](mailto:ladams@demos.org) if you have any questions.

Kind regards,  
Heather
