

I am delighted to announce that NYCHSRO, the oldest healthcare peer review organization in New York will be celebrating its fortieth year of monitoring the quality, appropriateness and cost effectiveness of healthcare delivery programs. NYCHSRO and its subsidiary MedReview, Inc. have a distinguished record of accomplishment, helping its diverse group of clients maintain high quality of healthcare services while controlling the cost.

NYCHSRO's services developed over the last forty years include: Ambulatory Pre-Certification Review, Case Management, Coding Validation, Cost Outlier Review, External Appeal, Focused/QA Review, Hospital Bill Audit, Independent Examination (IME), Inpatient Pre-cert/Concurrent Reviews, Non-Institutional Claims Evaluation (NICE), QARR/HEDIS-Encounter Data Validation, Quality of Care Audit and Readmission Review. Operating in fourteen states with a client base consisting of labor groups, governmental agencies, and managed care organizations, NYCHSRO/MedReview Inc. has saved its clients over one billion dollars.

I would greatly appreciate your attendance at the event which we are currently planning as we celebrate this special milestone. I guarantee it will be an evening to remember. It is scheduled for September the 15th 2014 at 5:30 P.M. at the Down Town Association, Wainwright Room, 60 Pine Street, New York.
